

XTeer HD Ultra

XTeer heavy duty Ultra is the most advanced heavy duty diesel engine oil designed for the latest premium diesel engines with considerations for the environment

- It is optimized for the latest engines designed to meet Euro 6 emission requirements
- It provides sustained emission control system durability
- It provides maximum engine protection under severe workload
- It provides maximum engine performance in the toughest conditions
- It is recommended for 15ppm sulfur fuel or higher grade

Applications

- All heavy duty vehicles (trucks, buses)
- Construction equipment
- Off-highway vehicles

Viscosity and Remarks

- SAE 15W-40
- API CI-4
- ACEA E9
- MB 228.31, Volvo VDS-4
- MAN 3275, Cummins CES 20081

XTeer HD 7000

XTeer heavy duty is the most advanced heavy duty diesel engine oil designed for the latest premium diesel engines as well as conventional engines

- It provides maximum engine protection under severe workload
- It provides maximum engine performance in the toughest conditions
- It provides sustained engine durability

Applications

- All heavy duty vehicles (trucks, buses)
- Construction equipment
- Off-highway vehicles

Viscosity and Remarks

- SAE 15W-40
- API CI-4 / SL
- MB 228.1/229.1
- MAN 271, Volvo VDS-2
- Cummins 20071/20076

Viscosity and Remarks

- SAE 20W-50
- API CH-4

HYUNDAI XTeer

“PLEASURE” the emotion you can experience with
HYUNDAI XTeer, based on **HYUNDAI**’s
most advanced technology from KOREA representing
the next generation of automobile lubricants

1L, 4L, 6L

XTeer GASOLINE **Ultra Protection**

XTeer Gasoline Ultra Protection is the most advanced gasoline engine oil designed for protecting high-tech engines

Compared to previous engine oils

- It provides maximum engine protection at the highest speeds
- It reduces deposit and sludge in turbocharged engines by more than 50%
- It reduces deposit and sludge in engines and pistons
- It reduces fuel consumption
- Tested with all rubber seals in the engine

Applications

- All premium gasoline vehicles (both naturally aspirated and turbocharged engines)
- High performance cars with the latest engine technology
- Suitable for all seasons (−30°C / −22°F)

Viscosity and Remarks

- SAE 5W-30
- API SN/GF-5

1L, 4L, 6L

XTeer GASOLINE **Ultra Efficiency**

XTeer Gasoline Ultra Efficiency is the most advanced gasoline engine oil designed for maximized fuel saving

Compared to previous engine oils

- It provides higher fuel efficiency than XTeer Gasoline
- It reduces deposit and sludge in turbocharged engines by more than 50%
- It reduces deposit and sludge in engines and pistons
- It maximizes the engine performance in the toughest conditions
- Tested with all rubber seals in the engine

Applications

- All premium gasoline vehicles (both naturally aspirated and turbocharged engines)
- High performance cars with the latest engine technology
- Suitable for all seasons (−30°C / −22°F)

Viscosity and Remarks

- SAE 5W-20
- API SN/GF-5

1L, 4L, 6L

XTeer GASOLINE **G700**

XTeer Gasoline is the most advanced gasoline engine oil designed for premium cars with the latest technology

Compared to previous engine oils,

- It reduces deposit and sludge in turbocharged engines by more than 50%
- It reduces deposit and sludge in engines and pistons
- It reduces fuel consumption
- It maximizes the engine performance in the toughest conditions
- Tested with all rubber seals in the engine

Applications

- All premium gasoline vehicles (both naturally aspirated and turbocharged engines)
- High performance cars with the latest engine technology
- Suitable for all seasons (−20°C / −4°F)

Viscosity and Remarks

- SAE 10W-30
- API SN/GF-5

1L

XTeer **TOP PRIME**

XTeer TOP PRIME is the most advanced engine oil designed for Super Cars regardless of engine/fuel type

Compared to previous engine oils

- It provides maximum engine protection at the highest speeds
- It maximizes the engine performance in the toughest conditions
- It reduces deposit and sludge in turbocharged engines by more than 50%
- It reduces deposit and sludge in engines and pistons
- Tested with all rubber seals in the engine

Applications

- Meets the requirements of gasoline and diesel passenger engine with the latest technology
- All LPG vehicles / DPF attached vehicles
- Increased reaction velocity for acceleration
- Suitable for all seasons (−30°C / −22°F)

Viscosity and Remarks

- SAE 5W-40
- API SN/CF
- ACEA C3, A3/B3/B4

1L

XTeer **TOP**

XTeer TOP is the most advanced engine oil designed for Super Cars regardless of engine/fuel type

Compared to previous engine oils

- It provides maximum engine protection at the highest speeds
- It maximizes the engine performance in the toughest conditions
- It reduces deposit and sludge in turbocharged engines by more than 50%
- It reduces deposit and sludge in engines and pistons
- Tested with all rubber seals in the engine

Applications

- All premium vehicles with the latest technology
- Maximum performance regardless of fuel/engine type (Gasoline, Diesel, LPG, naturally aspirated, Turbocharged, Supercharged)
- Maximum engine protection in the toughest conditions
- Suitable for all seasons (−30°C / −22°F)

Viscosity and Remarks

- SAE 5W-40
- API SN/CF
- ACEA C3, A3/B3/B4

1L, 4L, 6L

XTeer **DIESEL Ultra**

XTeer Diesel Ultra is the most advanced diesel engine oil designed for protecting advanced engine parts as well as the environment

- It increases DPF(Diesel Particulate Filters) lifev
- It reduces emissions (low SAPS)
- It increases overall stability in low temperatures
- It maximizes engine protection at the highest speeds
- It maximizes engine performance in the toughest conditions

Applications

- All premium diesel vehicles (both naturally aspirated and turbocharged engines)
- High powered cars with the latest engine technology
- High performance passenger cars (SUVs, RVs and mini vans)
- Suitable for all seasons (−30°C / −22°F)

Viscosity and Remarks

- SAE 5W-30
- API SN/CF
- ACEA C3, A3/B3/B4

1L, 4L, 6L

XTeer **DIESEL D700**

XTeer Diesel is the most advanced diesel engine oil designed for premium cars with the latest technology

- It provides maximum engine protection at the highest speeds
- It provides maximum engine performance in the toughest conditions
- It provides sustained engine durability

Applications

- All premium diesel vehicles (both naturally aspirated and turbocharged engines)
- High powered cars with the latest engine technology
- High performance passenger cars (SUVs, RVs and mini vans)
- Suitable for all seasons (−20°C / −4°F)

Viscosity and Remarks

- SAE 10W-30
- API CI-4 / SL
